

GOVERNMENT OF RAJASTHAN
DEPARTMENT OF SCIENCE & TECHNOLOGY

STUDENT PROJECT PROGRAMME
2006-2007

One of the major objectives of this department is to promote the application of Science & Technology for the development process in the State. To accomplish this goal, the department proposes to initiate a Student Project Programme, aiming at utilizing the untapped talent and potential of the students of science/professional colleges for the development the State. This involves providing of financial support for a project to be undertaken by the students of science/professional Colleges of the State during their course of studies under the guidance of a Professor of the Institution.

ELIGIBILITY CRITERIA:

Students of S&T Institutions namely:

- a) Engineering Colleges / Polytechnic Colleges etc.
- b) Medical Colleges / Pharmacy Colleges / Dental Colleges, etc.
- c) P.G. Students and above of Science Colleges / Agriculture Colleges / Veterinary Colleges, etc.

SUGGESTED BROAD AREAS: -

The project should be relevant to the basic needs and social priorities of the State such as food, shelter, clothing, health, & Hygiene, Agriculture, Transport, Communication, Environment and Pollution, Biotechnology, Mining, Engineering, etc. It may be related to the needs of the rural and urban poor and to employment generation.

Duration of the Student Project:

The duration of the project can be up to one year from date of commencement.

Extent of Financial Assistance:

The total cost of the one project should not exceed Rs. 15,000/-, which may include

- (I) Minor Equipment
- (II) Consumables
- (III) Report Writing
- (IV) Contingencies & other costs.

Department would prefer Technology Based Student Project under which a proto type model could be developed. For this at the discretion of the Department, some additional funds can also be considered to the maximum extent of Rs. 15,000/- after successful completion of the Student Project. However a separate proposal be submitted for improvising / development of the proto type model / technology.

PROJECT PROPOSALS:

The project proposals in **THREE COPIES** should be forwarded through the Head of Institution. The proposals should be submitted in prescribed format through proper channel to:

**The Director,
Department of Science & Technology,
506, 4th Floor, Mini Secretariat,
Bani Park, Jaipur. -302016.**

LAST DATE FOR SUBMISSION OF PROJECT PROPOSAL:

31st December, 2006

APPROVAL OF THE PROJECT:

The Department of Science & Technology would consider the Project proposals based on the evaluation done by the department. However, if felt necessary, such proposals would be referred to the experts of the field for their opinion. The Head of the Institution will be intimated about approval or rejection of the project.

The Student Project would be sanctioned to the Head of the Institution who will arrange the sanctioned amount to be made available to the Guide/ Concern Students and would ensure that the grant shall be

exclusively utilized for the purpose for which it is being sanctioned.

COMMENCEMENT OF PROJECT:

The project shall become operative with effect from the date on which the Institution receives the grant. The exact date of commencement of the project is to be communicated to the department by the Guide/Student, through Head of Institution within fifteen days positively.

PROJECT REPORT:

- (1) A mid term Progress Report be furnished to the Department.
- (2) A final completion report of the student project should be furnished to the Department within one month after completion of the Project Work. However, it must be submitted to the Department within one year from date of commencement of the project.

Utilization Certificate & Statement of Expenditure:

Duly Audited Utilization Certificate (UC) & Statement of Expenditure (SE) in five copies be sent within one month after completion of Project work but not later than one year from date of commencement.

TRANSFER OF PERMANENT ASSETS:

All the equipments and permanent items purchased out of the grant & proto type model so developed, etc. would remain with the concerned Institution unless otherwise directed by the Department.

IMPLEMENTATION OF THE PROJECT:

The Guide of the project and the Head of Institution shall be responsible for the effective and timely implementation of the project.
